

2.2.1 Capital Programming/Infrastructure Category: Program Description, Context and Summary of Performance

Program Description and Context

Capital Programming/Infrastructure indicators represent the physical infrastructure that contributes to a healthy environment by assuring safe water and sewage facilities, medical facilities where health services can be adequately provided, and the ability to maintain the medical facilities that are critical to our mission.

Sanitation Facilities Construction – supports the construction of water, sewage, and solid waste systems (see page IHF-17 in FY 2002 budget document).

Health Care Facilities Construction – supports the construction of new or replacement health care facilities (see page IHF-23 in FY 2002 budget document).

Maintenance and Improvement – supports ongoing health care facility maintenance, alteration, and repair (see page IHF-11 in FY 2002 budget document).
